effectPerformance

Instructional design solutions for your
learning and performance needs

BIO:

Mae Prestera is a Project Manager and Instructional Writer for effectPerformance, Inc. Mae has designed and developed instructor-led and self-paced training programs, as well as job-aids and participant guides. She received her Bachelor of Science degree in Accounting from Saint Joseph's University then worked in the fast-paced world of public accounting as a senior auditor and project manager. Most recently, Mae managed the budgeting and financial analysis for a major downtown law firm. A Certified Public Accountant (CPA), Mae has an extensive systems development and project management background with a specialty in evaluating and implementing financial controls. She is uniquely positioned to assist clients with impact and ROI evaluation, balanced scorecards, and other measurement initiatives.

ROLES:

- o Project Manager
- o Systems Evaluation Specialist
- o Instructional Writer
